Don't Tell a Soul David Rosenfelt

Tim Wallace's wife died in a boating accident several months ago. Tim was the only eye witness, and one New Jersey cop is sure he killed her. He didn't, but even if the police eventually clear his name, he'll never get over this terrible tragedy.

On New Year's Eve, his two best friends and business partners finally convince him to go out for the first time since Maggie's death, and at their neighborhood pub just a few minutes before midnight, things in Tim Wallace's life go from bad to worse. "Can you keep a secret? A really big one?" a drunken stranger asks him. Before Tim can say anything or turn away, the man confesses to a months-old murder, even offering as proof the location of the woman's body. "Now it's your problem," he says and walks away.

When the man turns out to have been telling the truth, Tim's life and work are put under the microscope again by the cops, and this time they're not giving up. But neither is Tim, even when things keep getting worse for him, and eventually he realizes he's the only person who can figure out what's really going on--- even if it kills him.

David Rosenfelt, popular author of six Andy Carpenter mysteries, including the recent hit *Play Dead*, delivers his first standalone with *Don't Tell a Soul*, combining the suspense and great characters of his mystery series with an unputdownable, thrilling read.
