Don Marquis

The Best of Archy and Mehitabel (Everyman's Library Pocket Poets) Don Marquis

A selection of the best of the hilarious free-verse poems by the irreverent cockroach poet Archy and his alley-cat pal Mehitabel.

Don Marquis's famous fictional insect appeared in his newspaper columns from 1916 into the 1930s, and he has delighted generations of readers ever since. A poet in a former life, Archy was reincarnated as a bug who expresses himself by diving headfirst onto a typewriter. His sidekick Mehitabel is a streetwise feline who claims to have been Cleopatra in a previous life. As E. B. White wrote in his now-classic introduction, the Archy poems "contain cosmic reverberations along with high comedy" and have "the jewel-like perfection of poetry."

Adorned with George Herriman's whimsical illustrations and including White's introduction, our Pocket Poets selection—the only hardcover *Archy and Mehitabel* in print—is a beautiful volume, and perfectly sized for its tiny hero.
