Under My Skin: My Father, Frank Sinatra -- Frank's Hidden Child Unravels the Mystery of Her Identity Julie Sinatra

As seen on *Inside Edition* . . .

Did you know that Frank Sinatra had an unknown daughter? A girl whose true identity was hidden for over 50 years?

Under My Skin is the compelling story of that girl, Julie Sinatra, in her own words. It reveals a woman's search for identity, the unraveling of a Hollywood mystery, and the flowering of a daughter's love.

***The Daily Mail (London)* says:** "With her large aqua-coloured eyes, there's no denying Frank Sinatra's alleged lovechild bears a striking resemblance to him. But Julie Sinatra didn't find out that Ol' Blue Eyes was her father until she was well into middle age.... She has now released her autobiography, *Under My Skin*, as an e-book in honour of her father's birthday."

This new e-book includes over 50 photos.
