Battlestar Galactica

Glen A. Larson, Robert Thurston

Battlestar Galactica Glen A. Larson, Robert Thurston

This is Book #1 in the Battleship Galactica series: Flagship of the 12 Worlds' Warfleet, she was as large as a planet, yet as swift as the Starhound fighters she launched from her bays. For generations the vast ship had led the thousand-year war against the Cylon for control of the known Galaxy. Now that war was in its last phase, and 'Galactica' had one final mission, win or lose: blast through the deadly grid of the Cylon Starfleet and dash for deep space in a desperate attempt to find the legendary "Stonehenge" of the universe---the lost planet the ancient microfilms call "EARTH"...
