Spanish Lies Mark Harrison

On secondment to Spain, British detective, Michael Fernandez, discovers a part of his family history he would rather have left undisturbed. Now he is offered a permanent job as a Captain in the Spanish Guardia Civil. Despite misgivings, he accepts and his first investigation thrusts him into the murky world of greedy developers and corrupt politicians eager to exploit the burgeoning property market in the Costas. Unprepared for Spanish conventions, he becomes embroiled in a web of lies and deceit as he seeks to unravel the disappearance of a young boy and the murder of a local Mayor. Out of his depth, and shocked at the extent of perversion and depravity he encounters, he is drawn into a mire of immorality that threatens to overwhelm his resolve. Meanwhile, in the village where he has inherited a home, the tentacles of local life engulf him in an irresistible intrigue and a mystery that has its roots in the aftermath of the Spanish Civil War.
