Take your baby on a sensory tour of the world of baby animals in this charming new board book. Babies will be introduced to the animals that are just like them—babies! Through stunning real-life photos that feature touch and feel panels. Babies will love to touch a puppy's soft ears or the slippery skin of a dolphin.

Baby Einstein Books is an imprint of developmentally appropriate, interactive books designed to introduce children ages 0-3 to classic poetry, art, and foreign languages in a fun and accessible way. A combination of playful images, beautiful photography, and bold illustrations with multilayered text will captivate and stimulate babies and young children. This "humanities for babies" program, based on the award-winning video series, taps into the natural learning potential of young children—and their parents' aspirations for them.
