**By Thomas E. Mann - It's Even Worse Than It Looks: How the American Constitutional System Collided With the New Politics of Extremism (First Trade Paper Edition) (8.4.2013)** Thomas E. Mann  
Hyperpartisanship is as old as American democracy. But now, acrimony is not confined to a moment; it's a permanent state of affairs and has seeped into every part of the political process. Identifying the overriding problems that have led Congress--and the United States--to the brink of institutional collapse, *It's Even Worse Than It Looks* profoundly altered the debate about why America's government has become so dysfunctional. Through a new preface and afterword, Thomas Mann and Norman Ornstein bring the story forward, examining the 2012 presidential campaign and exploring the prospects of a less dysfunctional government. As provocative and controversial as ever, *It's Even Worse Than It Looks* will continue to set the terms of our political debate in the years to come.
