## **Fangs a Lot: Final Notes from a Totally Lame Vampire** Tim Collins

Nigel Mullet (vampire, diarist, not-so-heroic hero) puts his leadership—and romantic—skills to the test in this fun, funny, and not-at-all-lame conclusion to the Totally Lame Vampire series.

Nigel Mullet finds himself in charge of a vampire coven on a remote Scottish island. As if trying to finish his vampire history homework and impress a vamp girl called Lenora wasn't enough, Nigel has to spend his time resolving petty disputes.

When a new vampire named Viktor joins the coven, Nigel is happy to let him take over. But this newcomer soon proves himself to be a brutal and merciless leader. The hapless Nigel is cajoled into becoming the head of the resistance movement, but will he triumph over his enemy? And perhaps more importantly...will he get the girl?
