## **Qa'a (The First Dynasty Book 3)** Lester Picker

With the sudden death of his father, 16-year old Qa'a is thrust onto the throne, unprepared for rule. He is at the mercy of the cunning Chief Priest, Khenemet and his evil disciple. A chance meeting with a successful trader, Nomti, creates a friendship that brings glory to the Two Lands.

But Qa'a's missteps bring the newly unified country to war. Unrest follows as the underground leaders of Lower Kem foment a rebellion that challenges King Qa'a's rule.

Will Qa'a recover from these setbacks and leave a legacy that future generations will praise? Or will his deep flaws tear The Two Lands apart once again?
