## **Romancero gitano (Spanish Edition)** Federico Garcia Lorca

El Romancero Gitano es una de las creaciones liricas mas significativas del siglo XX. Punto culminante de la primera etapa estetica de Lorca, el propio poeta lo define como el poema de Andalucia, y lo llamo gitano porque el gitano es lo mas elevado, lo mas profundo, mas aristocratico de mi pais, lo mas representativo de su modo y el que guarda el ascua, la sangre y el alfabeto de la verdad andaluza y universal. Es, sin embargo, un libro donde apenas si esta expresada la Andalucia que se ve, pero donde esta temblando la que no se ve: un libro antipintoresco, antifolclorico, anti flamenco..., donde las figuras sirven a fondos milenarios y donde no hay mas que un personaje grande y oscuro como un cielo de estio... la Pena. Ofrece este volumen la magnifica edicion de Christian De Paepe, reconocido como uno de los principales lorquistas, con un estudio de la estetica y la estructura del Romancero y una detallada anotacion tematica y estilistica. A ello se anaden la Introduccion general de Esperanza Ortega, un rico apendice documental y comentarios a los romances.
