The Broadview Anthology of Social and Political Thought: Essential Readings: Ancient, Modern, and Contemporary Texts

This volume features a careful selection of major works in political and social philosophy from ancient times through to the present. Every reading has been painstakingly annotated, and each figure is given a substantial introduction highlighting his or her major contribution to the tradition. The anthology offers both depth and breadth in its selection of material by central figures, while also representing other currents of political thought. Thirty-two authors are represented, including fourteen from the 20th century. The editors have made every effort to include translations that are both readable and reliable.

In order to ensure the highest standards of accuracy and accessibility, the editors have consulted dozens of leading academics during the course of the volume's development (many of whom have contributed introductory material as well as advice). The result is an anthology with unparalleled pedagogical benefits; *The Broadview Anthology of Social and Political Thought* sets the new standard for social and political philosophy instruction.
