Every business needs to innovate, but few know where to start. ON Innovation, gives leaders seventy-two simple but powerful ideas they can use to create a more innovative organization. Drawing from his experience as founder and CEO at Travelocity.com and from the ten other startups where he's worked, Jones helps readers turn innovation from an academic exercise into an everyday skill. The stories from his career and personal experiences provide well-chosen real world illustrations of how challenging, and ultimately rewarding, it can be to gather a team and establish a culture that is open to change and is committed to innovation as the way to do business. The short chapters seem to be perfectly tailored to today's time crunched business leaders.
