Crome Yellow

Aldous Huxley

Crome Yellow Aldous Huxley

Crome Yellow is the first novel by British author Aldous Huxley. It was published in 1921. In the book, Huxley satirises the fads and fashions of the time. It is the witty story of a house party at "Crome" (a lightly veiled reference to Garsington Manor, a house where authors such as Huxley and T. S. Eliot used to gather and write). We hear the history of the house from Henry Wimbush, its owner and self-appointed historian; apocalypse is prophesied, virginity is lost, and inspirational aphorisms are gained in a trance. Our hero, Denis Stone, tries to capture it all in poetry and is disappointed in love.
