Dr. Gwen Harding left New York City for the small mountain town of Breakbridge, Colorado, to get away from the craziness of the big city. In Colorado she expected to find quiet, peace, and security.

The last thing she expected to find was Ryker Cross.

When a body shows up at the hospital where Gwen works with evidence of a vicious animal attack, Gwen will have to work with the mysterious and powerful Ryker to find out what is really going on. Something deadly is prowling the quiet streets of Breakbridge, but Gwen could never guess what it really is. Not on her own.

Ryker has his own secrets to hide from the alluring and curvy doctor that is new to the town he and his pack have vowed to protect. Vampires, the mortal enemies of his werewolf kind, have invaded his town and it's up to him and the pack he commands to stop them.

But can he keep Breakbridge safe while his mind, his heart, and his desires are so focused on Gwen?

Readers please note: This story is intended for a more mature audience and does contain adult content. Despite being the first installment in the new Breakbridge County Shifters series, it is a standalone novel with a complete story and a HEA. *The Breakbridge County Shifters* series takes place in the same universe as the *Night Hunters* series.
