However, at breakfast the morning after she and Harun have been together, Sebastian takes a second hard look at her and tells her that

something is different about her. Then, he tells her that he is leaving on a business trip to Venice for the week.

Scarlett's heart sings at the news because it means that she and Harun can be together without quite as much worry of being caught. However, her husband's next words cause her stomach to plummet as he tells her that he wants her to accompany him on his next business trip. She knows that her heart will not allow her to leave Harun for any long amount of time. But how will she get out of this?
