*There are risks to mixing business with pleasure...* **IF A MAN HAS AN AFFAIR AT WORK, HE'S A STUD.** He was a royal prick. The night we met, he ignored me. Then Mr. Big Shot CEO grabbed my ass in a business meeting. My boss just loaned me out to this guy. Now, we're working on a major project together. And our chemistry is dangerous. Combustible. If I allow it to ignite, I'll risk losing that promotion. Worse, what if I lose myself in him? **IF A WOMAN HAS AN AFFAIR AT WORK, SHE'S A SLUT.** From the moment I saw her I knew she was trouble. It was the combination of her fresh face, smart mouth and nipples that seemed to know my name. This woman could satisfy my needs both in the boardroom and the bedroom. But there was more to it than that. I wanted her. Really wanted her. And I was in the position to change the course of her life. But I've got secrets, secrets that could destroy her. And either make her mine or drive her away forever. This is a stand alone novel meant for mature audiences.
