The Rock Hole (Red River Mysteries) Reavis Z Wortham

In 1964, farmer and part-time Constable Ned Parker combine forces with John Washington, the almost mythical black deputy sheriff from nearby Paris, to track down a disturbed individual who is rapidly becoming a threat to the entire small Texas community of Center Springs.

When Ned is summoned to a hot cornfield one morning to examine the remains of a tortured bird dog, he finds a dark presence in their quiet community. A farmer by trade, Ned is usually confident when it comes to handling moonshiners, drunks and domestic disputes. But the animal atrocities turn to murder, and the investigation spins beyond his abilities.

After a dizzying series of twists, eccentric characters and dead-ends, Ned's friend, cranky Judge O.C. Rains, is forced to contact the FBI. Worse, sinister warnings that his family has been targeted by the killer lead Ned to the startling discovery that he knows the murderer very well. After the failed abduction of his precocious grandchildren Top and Pepper, the old lawman becomes judge and jury to end the murder spree in the Red River bottomlands.

With a heart-pounding pace, country humor and a stunning climax speaks to the darkness in us all. In bald-headed pot-bellied Ned Parker, Wortham has created an authentic American hero who will put you in mind of the best heroes and antiheroes you've ever experienced.

The year 1964 was the end of an era in Center Springs, and the climax may well shock your civilized sensibilities.

From reader reviews:

Alma Brady:

What do you about book? It is not important to you? Or just adding material when you need something to explain what the one you have problem? How about your time? Or are you busy particular person? If you don't have spare time to do others business, it is make you feel bored faster. And you have extra time? What did you do? Every person has many questions above. They need to answer that question mainly because just their can do in which. It said that about reserve. Book is familiar on every person. Yes, it is appropriate. Because start from on pre-school until university need this specific The Rock Hole (Red River Mysteries) to read.

Lois Hutter:

In this 21st one hundred year, people become competitive in each way. By being competitive at this point, people have do something to make these survives, being in the middle of typically the crowded place and notice by surrounding. One thing that sometimes many people have underestimated the idea for a while is reading. Yep, by reading a reserve your ability to survive enhance then having chance to stand than other is high. In your case who want to start reading a book, we give you this The Rock Hole (Red River Mysteries) book as beginner and daily reading publication. Why, because this book is more than just a book.

Nancy Gump:

Information is provisions for people to get better life, information presently can get by anyone from everywhere. The information can be a information or any news even a problem. What people must be consider if those information which is inside the former life are difficult to be find than now could be taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you find the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All of those possibilities will not happen in you if you take The Rock Hole (Red River Mysteries) as the daily resource information.

Theodore Dubose:

Do you like reading a publication? Confuse to looking for your preferred book? Or your book seemed to be rare? Why so many problem for the book? But any people feel that they enjoy to get reading. Some people likes reading, not only science book but in addition novel and The Rock Hole (Red River Mysteries) or others sources were given expertise for you. After you know how the truly amazing a book, you feel need to read more and more. Science reserve was created for teacher or even students especially. Those publications are helping them to put their knowledge. In other case, beside science book, any other book likes The Rock Hole (Red River Mysteries) to make your spare time much more colorful. Many types of book like this one.
